California's Old Governor's Mansion "Sings the Blues" On May 21

SACRAMENTO - California's Old Governor's Mansion will "Sing The Blues - An Evening Filled With Music, Fun and Food" on Wednesday, May 21 from 5:30 - 7:30 p.m. during a special fundraising event to benefit the historic site.

Located at 16th and H Streets in downtown Sacramento, the Governor's Mansion State Historic Park had 50,000 visitors last year, including 10,000 school children from all over the state. Because of its age, and ongoing wear and tear, additional funds are needed to repair and preserve the building.

Honorary co-hosts for the event are Assembly member Darrell Steinberg, Sacramento Mayor Heather Fargo, City Councilmembers Steve Cohn and Ray Tretheway, and the Sacramento Historic Sites Association. Entertainment will be provided by Gayiel Von and Witness This.
